

## ATTACHMENT F

### Form of Service Agreement for Network Integration Transmission Service

1. This Service Agreement, dated as of \_\_\_\_\_, is entered into, by and between \_\_\_\_\_ (the “Transmission Provider” or “BCTC”), and \_\_\_\_\_ (the “Transmission Customer”).
2. The Transmission Customer has been determined by the Transmission Provider to have a Completed Application for Network Integration Transmission Service under the Transmission Provider’s OATT (the “Tariff”).
3. The Transmission Customer has provided to the Transmission Provider any Application deposit required under the provisions of Section 29.2 of the Tariff.
4. Service under this agreement shall commence on the later of: (1) the requested service commencement date; or (2) the date on which construction of any Direct Assignment Facilities and/or Network Upgrades are completed; or (3) such other date as it is permitted to become effective by the British Columbia Utilities Commission. Service under this agreement shall terminate on such date as mutually agreed upon by the parties.
5. The Transmission Provider agrees to provide and the Transmission Customer agrees to take and pay for Network Integration Transmission Service in accordance with the provisions of Part III of the Tariff and this Service Agreement.
6. Any notice or request made to or by either Party regarding this Service Agreement shall be made to the representative of the other Party as indicated below.

7. No failure by BCTC or the Transmission Customer at any time or from time to time to enforce or require a strict observance of any of the provisions of this Service Agreement shall constitute a waiver of the provision or affect or impair such provisions or the right of BCTC or the Transmission Customer at any time to enforce such provisions or to avail itself of any remedy it may have.
8. (a) This Service Agreement shall be construed in accordance with the laws of the Province of British Columbia; and  
  
(b) BCTC and the Transmission Customer will promptly comply with all relevant laws and regulations and the relevant orders, rules and requirements of all authorities having jurisdiction.
9. Nothing contained in this Service Agreement shall restrict or limit either Party from establishing, altering or terminating interconnection points with any entity not a party to this Service Agreement or amending or entering into such agreements.
10. This Service Agreement shall inure to the benefit of and be binding upon the Parties and their respective successors.
